IN MATTERS OF CONSCIENCE PART 1-ROMANS 14:1-12
HOME WORSHIP GUIDE
WEEK OF JULY 24-JULY 30

Spend a few minutes reading the Scripture and thinking through one or more sections, individually or with your family. Reflect on Sunday’s message and how it applies to your life today.

GOD
In the message on Sunday, our Pastors talked about how God gives us a conscience to help warn us against sin. How do we know when our conscience is warning us? Is there something you need to do to be obedient this week?

CHURCH
From the passage and the message, it becomes clear that not all of us at church will think in the exact same way about every issue that comes up. To whom should we be obedient? Read the passage and note all the instructions on how to act toward our brothers in sisters in Christ when we feel strongly about our differing viewpoints.

IDENTITY
What are some matters of conscience for you? Read the passage and reflect on those matters and your attitude toward those whose conscience leads them a different direction. How were you challenged and/or encouraged through Scripture and the message on Sunday?

MULTIPLY
You may have heard it said that often the church is known more for what we are against than what we are for. Is there an area where you've been especially vocally against something? Take time to examine your heart this week and how that influences your actions towards people, both inside and outside the church.
