

## 2022 India Mission Team Prayer Guide

Pray for the families in the slum that they will allow their children to attend VBS

Pray for the children we will encounter that the Father would start preparing their hearts and minds to receive the message of the Gospel

Pray for our VBS - that we would be clear, effective and fun in delivering the message each day and that the Father would use it to bring many people to Him

Pray for Pastor Timothy and his wife, Joyce, as they make preparations for us and that things would go smoothly

Pray for Pastor Sunil and his brother, Santosh, that run the tutoring center as they make preparations for VBS with us.

Pray for the women who will be attending the Women's health talk, that they would hear how chosen and loved they are by Jesus and what a blessing it is to be a woman. Pray for the women to understand with clarity the interpreter

Pray for the teens that we will be discipling this year. Pray for their hearts to hear and long for Jesus. Pray that they will be bold and courageous in standing up for Him

Pray for all the preparations we are doing, that the Father would be guiding our thoughts and hands in the work and that things would go smoothly.

Pray for the families we are leaving behind, that the Father would watch over and protect our loved ones till we return and that our going might draw them closer to Him.

That The Father would prepare our hearts to travel to India and minister to the least of these and that all our efforts would be His efforts

That the Father would give each of us a sense of His presence and peace and that He would not allow the spirit of fear to overtake any of us

That He would give us excitement and anticipation of what He is about to do through our efforts

That team members would be free from illness as we get ready to leave and during the trip.

That the Father would protect us as we prepare to go and during our trip

That the Father would give us courage to be bold in sharing the Gospel with a lost world in the US and in India

That the Father would reveal Himself in a new way to each of us before, during, and after this trip

That the Father would use this trip to grow us and change us to become the Jesus follower He wants us to be.

That ultimately the Father would use this trip as He sees fit for His purpose and His Glory!
